Do you really want THIS?

A motorway through the last remaining space of its kind, full of polluting HGVs travelling to and from the Port of Liverpool.

LET'S FIGHT TO KEEP IT.

Rimrose Valley has been busier than ever during the ongoing COVID-19 pandemic, offering green space, clean air and relief from anxiety and depression.

Make your voice heard

No new roads.

Highways England will be holding a consultation on its road in the near future. We need you to turn up, say NO to these plans and demand better, sustainable alternatives.
